EXPIRATION DATE CLARIFICATION

Because of the date-based system we use for the dues reminders, NEW members who join(ed) BEFORE October 31st will have a 2016 expiration date on their email confirmation; however, we correct that for them to 2017 or beyond if they joined for multiple years.

Members renewing for 2016-17 should see 2017 as their new expiration date on the confirmation email.

MEMBERSHIP FORM: You can print/mail the form attached to this newsletter or print one from our website. You don't have to log in to our website to print the form. It is located on the HOME page in the navigation pane at the top under MEMBERSHIP FORM.

SOMETHING NEW ON THE MEMBERSHIP FORM: You can now choose whether you want to receive a RED BOOK Directory. Some of our members like to use the online directory, so they don't need a hard copy.

CARRYOVER DUES: If you joined/renewed after May 1, 2016, your dues have been applied to the 2016-17 membership year and your dues expiration date has been changed accordingly in your profile. You will not receive an automated dues renewal reminder for this membership year.

EMPLOYEE NUMBER: For **NEW** member online applications, we require an employee number so Delta HR can verify IFS employment. This is to protect our member information since the public has access to part of our website. **NEW** members will be "activated" once we hear back from HR.

DIRECTORY PRINTING/DISTRIBUTION: The RED BOOK Directory goes to print before Thanksgiving and the number ordered is based on the number of renewals received by October 31st. To reduce mailing costs, the directory will be available at the December AND January luncheons or mailed after the January luncheon.

E-NEWSLETTER: HELP us reduce mailing costs by choosing to receive THE BRIEFING SHEET via email. The emailed version is very colorful and can also be viewed from a "Newsletter" drop-down box on the website after you sign-in to the Member Login section. We have archived the 2014-15 and 2015-16 issues for you, too.

INFORMATION CHANGES: You can now make your own profile corrections online! You can also contact Suzi Modisett (tsmodi@bellsouth.net) or Sue Zino (sszino45@gmail.com) with any changes.

WELCOME ABOARD

We had a great turnout at our September 15th luncheon to kick-off the 2016-17 season of Delta Clipped Wings!

During the business portion of the luncheon, a vote was taken to accept the Delta Clipped Wings Board's recommendation of the Atlanta Humane Society's PETS FOR VETS program as our fourth charity. The vote was unanimously in favor of accepting the sponsorship of this program.

Once the vote passed, we received a personal thank you from Cal Morgan, Atlanta Humane Society's President and CEO, who attended the luncheon as a guest of our very own Marti Wilson, who recently retired from serving for over thirty years on the Atlanta Humane Society Board of Directors!

We are excited about working with this outstanding program, so stay tuned for additional information regarding PETS FOR VETS in our upcoming publications.

We want to thank our September guest speaker, Author/Artist Laurie Parker from Mississippi. She was great ... funny and inspirational.

Beginning with the 2016-2017 membership year, our members with over 50 years of dedicated support of Delta Clipped Wings will no longer be required to pay membership dues. Their devotion to the mission of our service organization through leadership, fundraising activities, financial support and friendship is inspiring to those of us who have followed in their footsteps.

We are pleased to welcome the following members into the Honorary Member group. Please join us in extending CONGRATULATIONS and APPRECIATION to these ladies who are our legacy members!

"PAY AT THE DOOR" RESERVATIONS

RESERVATIONS CHAIR Alva Blake
alvab@att.net ~ (770) 436.4789

After each luncheon, I enter the "pay at the door" checks/cash into the accounting system on our website which generates a confirmation email to the attendee for that event, if they have an email address. Since event registration for the next luncheon can "overlap" these late accounting entries, please double check the event dates when you receive an email confirmation so you are not confused about which event you have paid for.

**** BINGO** is being replaced with the game L C R (Left, Center, Right). It is a dice game that can be enjoyed by tables of 8. It is a VERY EASY game to master and it allows everyone at the table to continue to visit and talk throughout the entire game.

EACH PERSON PLAYING needs to bring at least three \$1 bills to put in the center pot of the table. When the game is over, the winner takes the center pot of money. The winner may donate the entire winnings to LDF or a portion or keep it.

There should be plenty of time to play more than one game per table as every table is an independent game; therefore, members should bring plenty of \$1 bills for each \$3 game.

NOTE: If some members need to leave after any of the games are completed, but more games are getting started, not to worry, any number of players may play so everyone is flexible to come and go as they please.

HOW TO PLAY

- ❖ Each player puts \$3 in center pot.
- ❖ Begin with three L C R cubes and three chips for each player. After determining which player starts the game, the first player rolls the three cubes.
- ❖ The number of Ls indicates the number of chips to be passed to the player on the left.
- ❖ The number of Rs indicates the number of chips to be passed to the player on your right.
- ❖ The number of Cs indicates the number of chips to be placed in the center pot.
- ❖ The DOTS are neutral and players neither pass nor place chips in the pot for any DOTS rolled.
- ❖ When a player has only 1 or 2 chips, they roll only 1 or 2 cubes. If a player has no chips, he is still in the game, but passes the cubes to the next player. The last player with chips is the winner, does not roll the cubes, and wins the center pot.

CONGRATULATIONS TO SUSAN KRAHAM 2016 DELTA CHAIRMAN'S CLUB HONOREE

A little info ... In 1997, Delta Air Lines' executives decided to recognize 100 of their top employees who consistently demonstrate the Delta Difference to all of our customers, coworkers and the communities we serve. They understood then, as they do today, our people make us successful. They wanted to show their appreciation for all the hard work and dedication Delta

employees demonstrate on a daily basis.

For 20 years, the Delta Chairman's Club has been the most prestigious corporate recognition event at Delta Air Lines. It is unique in that its members are nominated by their peers and validated by Delta leaders. Our honorees are leaders in demonstrating Delta's most important behaviors and are the embodiment of Delta's RULES OF THE ROAD. A Delta employee can only be inducted into the Chairman's Club once in their entire Delta career, but once they are in the Club, they are members for life.

Note: All active Delta employees are eligible except for officers, directors and former honorees. Of the one hundred* honoree slots, twenty-one slots are for In-Flight Service employees and, of those twenty-one slots, thirteen are for flight attendants.

All honorees will be officially recognized at a Red Carpet Banquet held at the Delta Flight Museum on November 10th. Another milestone is also on the horizon for Susan, she will be celebrating 51-years of service as a FA on October 18th!!!

Kathy Roper (CO-CHAIRMAN OF THE BOARD | FA class 01/04/1971) shared an interesting article with us about her family.

I have included the first two paragraphs below ... you can read the full article at the following link ...

<http://southerncross.diosav.org/features-20150218-Barbees>

A PAVILION AND A FAMILY WORTH VISITING: THE BARBEES OF ISLE OF HOPE

The old Isle of Hope streetcar still rocked along its tracks in the early 1940s when vigilant Sisters of Mercy just barely managed to keep their charges seated inside the open-air vehicle. The children and their teachers were headed for an annual picnic, the last gasp of the school year, at Camp Villa Marie. Near their destination was Barbee's Pavilion, located on the banks of the Skidaway River, where terrapins - doomed to be future dinner delicacies - were on view for prospective buyers. Given the early ties of the Barbee family with the Cathedral, the children's yearly visit to the area seems quite appropriate.

Barbee family members were communicants of Saint John the Baptist Church, Savannah, before it became a Cathedral.

Natives of Saint Augustine, Florida, the Barbees were probably Minorcans, "a group from which so many of Savannah's first Hispanic families were drawn." (AUTOCRACY OF THE HEART: CATHOLIC LAY LEADERSHIP IN SAVANNAH, by Thomas Paul Thigpen). The earliest Saint John's sacramental record of Barbees is the marriage of Francisco Barbee to Magdalena Hernandez on May 5, 1818. Baptisms of this couple's descendants and other Barbee relatives followed.

Suzi Modisett (VICE PRESIDENT MEMBERSHIP and WEBMASTER | FA class 07/28/1969) shared the following with us.

We borrowed the first paragraph of an article found in the September 2016 issue of THE OPRAH MAGAZINE.

4 REASONS BEING KIND IS GOOD FOR YOUR HEALTH, By Kate Rockwood

Give your time now, and you may get years in return.

"LEND A HAND. When you help others, you may be helping yourself, especially as you age: A five-year study in the AMERICAN JOURNAL OF PUBLIC HEALTH found that people 65 and older who didn't assist friends, neighbors or relatives had a 30 percent higher chance of dying after a stressful life event, like a job loss, than those who were generous. And volunteering for a good cause can give you a greater sense of purpose, which may lower your risk of a heart attack or stroke, according to an analysis of ten studies with around 136,000 subjects."

Which brings us to ... Delta Clipped Wings needs your help. Please step up and volunteer for a job with this wonderful, worthwhile organization. We do such good work and raise a lot of money for our charities and we have fun while doing it. However, we need help from our members.

The current group holding office has been doing it for a long time and we need some relief. Please volunteer for an office or committee. You won't be alone, we will help you every step of the way and have fun doing it and, according to the study above, you may live longer.

DELTA EMPLOYEES TO BUILD EIGHT HABITAT FOR HUMANITY HOMES IN SIX U.S. CITIES

By Catherine Sirna | September 7, 2016

Delta employees from across the country will build or renovate affordable, single-family homes in partnership with Habitat for Humanity International this fall.

The annual builds will take place in six cities, including Delta's hubs in Atlanta, Detroit, Minneapolis-St. Paul, New York City, Seattle and Los Angeles. More than 2,400 Delta employees will participate in the projects, which began September 7 and will continue through November 17.

"Delta is invested in giving back and making a difference in the communities where our employees live, work and serve," said Tad Hutcheson, Delta's Managing Director - Community

Affairs. "I am proud of our employees for donating their valued time and talents to help build homes in partnership with families from coast to coast."

City	Build Dates	Employees	Notes
Atlanta	September 7-22	560	The 2 homes will be built side by side on Atlanta's Westside
Atlanta	September 8	213	Built in the city of Lenox Park
Detroit	September 12	432	Delta's 8th home funded through the on-board recycling program
Minneapolis	September 13	340	First home built in an all-Habitat development designed specifically for veterans and their families
Seattle	September 14	450	First Delta home built inside the LA city limits supporting Wilson Gonzalez's 'Be an Homeowner!'
Los Angeles	September 21	160	Total rehab of a single family home in Queens, which has been abandoned for more than 20 years
New York	October 7	280	Funded by TechOps oil recycling program
Atlanta	October 21	280	Funded by TechOps oil recycling program

For more information visit www.delta.com

Projects include an all-Habitat development for military veterans and their families in Seattle; a home in Atlanta funded through TechOps' oil recycling initiative and two additional homes built side-by-side in Atlanta's Westside; and a home in Minneapolis-St. Paul funded by Delta's on-board recycling program. Additionally, Delta employees will help rehab a home in Queens, New York, and build a home in Los Angeles. The Los Angeles project will mark Delta's first build inside the city limits.

Delta employees have helped build or rehab 227 Habitat homes in 12 countries around the world. The domestic builds will mark homes 228-235 for Delta. Habitat is one of Delta's core community partners as it acknowledges the need for safe, decent and affordable shelter around the globe.

Earlier this year, Delta announced it will contribute 1 percent of its net income from the previous year to key charitable organizations, including Habitat for Humanity. This commitment will be fulfilled through cash contributions and in-kind travel, as well as grants from The Delta Air Lines Foundation. In 2016, Delta is projected to give \$37 million to charitable organizations worldwide.

PAUSE FOR A MOMENT CHAIR ~ Ann Beaman D'Agostino ~ AnnBDag@comcast.net

Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world.
~ Desmond Tutu ~

It is said "one person can make a difference." You see videos on Facebook and/or YouTube about the power of one person making a difference.

I recently saw a video of a blindfolded man standing on the sidewalk with a sign by his side offering free hugs. People passed him by, either not wanting to get involved, too busy playing Pokémon, talking on their cell phones or just oblivious to his sign.

Finally, a woman stepped up and hugged him. What a difference that bit of action from one person made. He hugged her back. Then another, and another and another person hugged him.

It didn't matter what color, what ethnicity, what sex or what size they were. The hugs were offered freely and freely given back. And as each person walked away, there was a smile on their face. Can you imagine how good they felt and how the next person they encountered would certainly reap the benefit of that new smile?

That man illustrated what Desmond Tutu said ... *Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world.*

One man set out to make a difference. It was probably a social experiment, but every person benefited. That one person doing something good made a difference. What will each of us do to make a difference?

Till next time,
Ann
